ABOUT BIDDING.

Auctions are now held monthly. Send your duplicates. Auction terms will be found on back cover page. Next catalogue in preparation. Ship consignment at once. Next auction in December but consignment should reach us before November 15 to be included. We do not claim to be infallible, and will do our best to correct any errors on our part, but we cannot be responsible for mistakes made by others, so please check your bids. Bid by the Piece.

The intelligent bidder will not expect to get any of these items at less than it costs the cataloguer to have them printed. Remember, it costs us about 30¢ per line to catalogue material. For the benefit of collectors who have no literature on values, we show the approximate retail values in brackets at end of line. If you especially want some items, make unlimited bids. In this manner of bidding, you secure such items at a few cents above any other bids. Some limit the bid to 5% above next highest bidder; others 10%, etc. You have collector friends in your vicinity-- tell them about our sales, or send us their names. They will thank you. If you are no longer buying and do not care for further copies of our Sale Catalogues, please mail us a card or letter, so stating, and we'll send you amount of postage spent. Thanks, and success to your bids.
